9/23/2021

The meeting started virtually at 4 pm. Denise introduced Elizabeth Flores to the committee. Elizabeth is the new NSLP coordinator and will be taking over this committee.

We reviewed the goals sent over by Vulture Peak and went over the Year One assessments. Since so many of the group was unable to attend and not all of the year one assessments were returned, we decided to schedule a meeting in the next month or so to follow up. Meeting time and place TBD
