**21st Century ROCKS Program**

*Reaching Out to the Community and Kids  
through Science, Technology, Engineering, Art, and Math (STEAM)  
2018-2019 School Year*

The Vulture Peak 21<sup>st</sup> Century Program offers students a great way to focus on academics and be involved with the school culture at the same time. If your child is interested in participating in any of the following classes, please complete this registration form and return to the VP office.

AzMerit scores were analyzed by the staff at Vulture Peak Middle School and based on scores, we highly encourage your student attend our 21<sup>st</sup> programs for tutoring and homework help. Tutoring reinforces the information that the student is learning in daily classes in a slower group size with some of the teachers your students have or know from campus.
